| Item Number<br><b>EX21.2</b>         | Agenda Item Title<br><b>Mayor's Economic Action Plan in Response to United States Tariffs</b> |

I declare a direct or indirect pecuniary interest in the agenda item noted above in accordance with section 5 of the Municipal Conflict of Interest Act.

The nature of my interest is as follows:

My spouse works as a showroom manager for the Toronto office of Haworth, which is a US based company doing office design and furniture supplying. Haworth does work with the public sector providing office services and I believe they have worked on and/or bid on ModernTO contracts.

I have a conflict on the item since the motion would effectively ban Haworth from bidding on these contracts in the future and if I were to vote against the motion it could be interpreted as preventing the ban to take place which if it took hold would hurt the company's Toronto operations.
