The application to amend the Official Plan and Zoning By-law proposes to apply appropriate land use and zoning permissions to City-owned lands to the south of the Ashbridge's Bay Treatment Plant at 5, 5A, 5B and 9 Leslie Street, including the newly created landform. The land use change will permit public utility infrastructure, consistent with various Council decisions and Provincially approved Environmental Assessments. The new landform includes enhanced shoreline stabilization and will also accommodate additional park land and a public access along the shoreline south of the plant.
