PURPOSE AND EFFECT OF ZONING BY-LAW 1491-2025

The purpose and effect of Zoning By-law 1491-2025 is to correct a technical error in Zoning By-law 1260-2024 by deleting the lands municipally known as 2793, 2795, 2797 and 2799 Bathurst Street from the lands to which the by-law applies.

By-law 1260-2024 amended Zoning By-law 569-2013, as amended, to update permissions and performance standards for mid-rise buildings on certain Avenues, by amending the zone labels on the Zoning Map in Section 990.1 and the maximum height and storey labels on the Height Overlay Map in Section 995.10 for lands to which the updated permissions and performance standards would apply.

Schedules A and B of By-law 1260-2024 intentionally excluded lands subject to an existing Site Specific Exception, where implementing the updated permissions and performance standards would impact an existing site-specific development approval.

On August 12, 2022, the Ontario Land Tribunal had approved By-law 385-2023(OLT), which amended Zoning By-law 569-2013, as amended, to add Site Specific Exception CR 355 respecting 2793, 2795, 2797 and 2799 Bathurst Street.

Site Specific Exception CR 355 was overlooked when drafting By-law 1260-2024, resulting in By-law 1260-2024 incorrectly amending the zone labels on the Zoning Map and height and storey labels on the Height Overlay Map in By-law 569-2013, as amended, for parts of 2793, 2795, 2797 and 2799 Bathurst Street, thereby applying the updated permissions and performance standards in a manner that impacted the existing site-specific development approval on those lands.

To correct this error, By-law 1491-2025 deletes 2793, 2795, 2797 and 2799 Bathurst Street from Schedule A and Schedule B of By-law 1260-2024 to implement City Council's intent, and enable development to proceed in accordance with Site Specific Exception CR 355.
